

## BINGO

Hundred Feet Tall **by Benjamin Scheuer and illustrated by Jemima Williams, published by Simon & Schuster 2020**

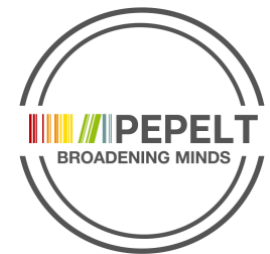

---

### Rhyming bingo instructions

- Each player needs a copy of the bingo board and the eight word cards.
- Copy the word cards on coloured paper if possible and cut out.
- Arrange the board and word cards *face up*.
- Each player covers one word on their board by placing the corresponding word card *face down* so the blank side is facing up.
- A caller calls out the words one by one.
- When a player finds the rhyming word card they place it *face up* on their board. The first child to cover all seven words is the winner and calls out *Bingo!*
- The winner reads out the words *facing up* on their boards and the other players call out the rhyming words. *Day – say* etc.

Note to parents/carers/teachers:

You can invite children to look at the phoneme/grapheme correspondences and sound/symbol relationships as vowel sounds in English can be represented by a number of different letters eg 'a' sound in English can be written day, eight, train.

Rhyming bingo – word cards (Gail Ellis for PEPELT)

grow	say	tall	height
begun	you	ground	tall
